

Oceans of Emotions

Write a poem that expresses your emotions!

Let's do some **Personification!**

Step 1: Choose an emotion.

Step 2: Imagine that this emotion is a person...
what actions would it do?

Step 3: Write the first line of your poem:

My _____
 emotion **description**

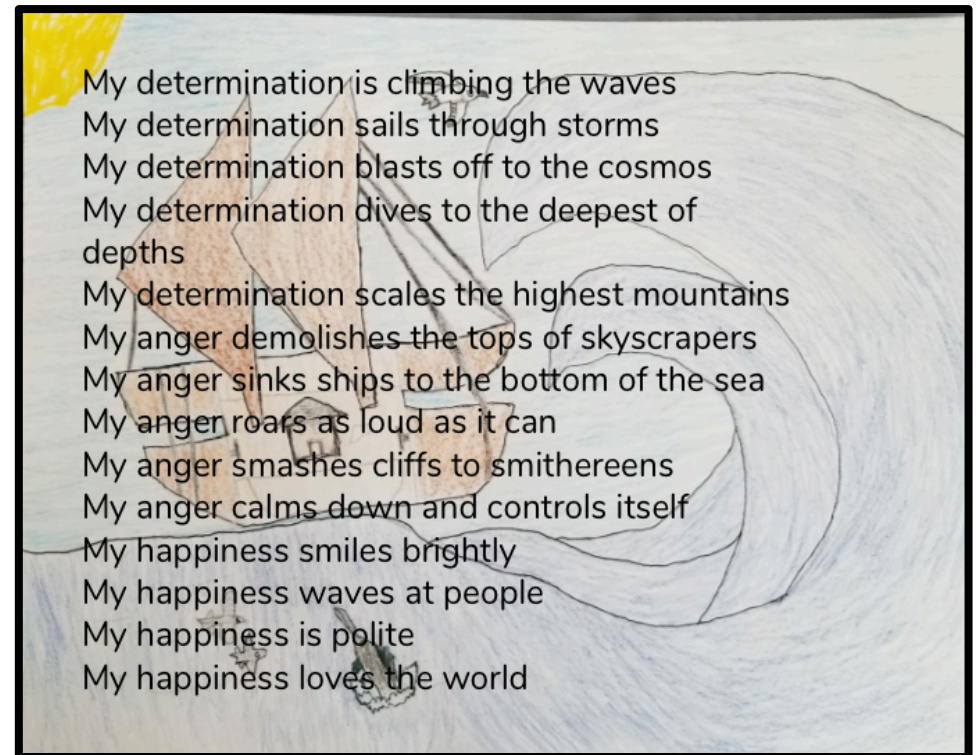

For example:

My **fear** lurks in the ocean depths, flicking its great tail.

Step 4: Add more lines.

What other actions does your emotion do?
